

Security

The Security represents The 418 Project and provides a safe and knowledgeable set of standards for the renter. The Security has high integrity, is free of substances while working, has clear communication and boundaries, and consults with the Host as needed. The Security team arrives *1 hour before event Doors*, and stays until end of event (or until released by Host).

Facility Supervision

- Makes sure visitors are behaving safely and is in alignment with standards and The 418 Project's Studio Policies and Guidelines.
- Makes sure there is *no alcohol* on property
- Makes sure property is being cared for responsibly (no tagging, breakage, misuse of sound system, etc.)
- Takes notice of violations and handles them immediately, or reports to Host
